SKILLS

Languages: Python(advanced), C- language ,Java , Html

Tools/Frameworks: Streamlit, n8n, excel, Canva, Wordpress, currently learning Django

Databases: MySQL, currently learning PostgreSQL

Others: Machine Learning, Internet Research, Data Analysis, Prototyping, currently learning Deep Learning and AI

EDUCATION

Bachelor of Engineering in Computer Engineering

August 2023 – August 2027

Dr S. & S.S. Ghandhy Government Engineering College, Surat

CPI: 8.24 , Relevant Courses: Data Structures, Web Dev, Databases, Software Engineering

XII (HSC)

Gajera English Medium School, Katargam ,Surat

Percentile: 96%

X (SSC)

Gajera English Medium School, Katargam ,Surat

Percentile: 90%

PROJECTS

Jarvis - AI Desktop Assistant with Python

- This project played a major part in my python journey.
- In this project, I have used speech recognition , pytsx3, webbrowser, requests modules.
- Jarvis is activated by saying "jarvis" , you can open any apps , you can hear the news and weather (using newsapi and weatherapi) by just saying.

EV-Battery Simulation using python

- Developed a Streamlit app for EV Battery simulation .
- Actually this project was the part of my course Greenskills with Artificial Intelligence in which we learned - How electric vehicles (EVs) work and collecting live data
- Fundamentals of Machine Learning
- Data analysis using Python and integrating AI into real-world applications
- Automating EV systems using Python, GPUs, Raspberry Pi, and more

Streamlit link1: <https://batterysimulation.streamlit.app/>

link2: <https://battery-simulation.streamlit.app/>

Disease Prediction - Machine Learning project

Group Project :

- Developed a predictive healthcare application that identifies disease risk (e.g., Diabetes, Heart Disease) using clinical data.(kaggle)
- Data Cleaning , feature engineering , Data analysis , machine learning models and Deployed using streamlit.
- Streamlit link: <https://diseaseprediction-0i55aq3lzhrm.streamlit.app/>

CERTIFICATES

- Data Analytics: Turning Data into Decisions using Python with CSRBOX BY IBM | 0945
- Green Skills and Artificial Intelligence under Skills4Future Program
- Programming In Java. by NPTEL | NPTEL25CS57S1257600399
- Python For Data Science By NPTEL | NPTEL25CS104S448000420
- Finishing School Training Programme by Knowledge Consortium Of Gujarat.
- IBM Skillsbuild AI Strategy and Business Intelligence Internship | AICTE | CSRBOX |
